

## Canterbury Explorers Application Form New Zealand Association for Gifted Children Inc.

Canterbury Explorers welcomes new members from the Canterbury Region. To join our group of 'like-minded' children, please attach evidence that at least one child in the family has intellectual or creative ability in the top 5% of the population. We will take photographs of children at Explorers events as part of group activities and may include these photographs in Tall Poppies, in promotion of our events to the community, in our local magazine to members or on the local or national website - but we will not name any children unless you give us express permission to do so. **If you do not want your children included in any photographs at all please note that below and advise us at club day events so we can avoid taking photographs of your children wherever reasonably possible.**

NZAGC has a discussion forum where issues affecting gifted children are discussed. You will be sent email communications from this forum and can comment on these if you wish. If you do not wish to continue to receive the forum communications you can “unsubscribe” from this feature.
